SUBJECT: REACH Compliance

To Our Valued Business Partners,

Carling Technologies complies with the current REACH regulations as established per EU REACH Regulation (EC) No 1907/2006 and which have been periodically updated.

To the best of our knowledge the parts, processes and materials used comply with the requirements of the European Regulation for the Registration, Evaluation and Authorization of Chemicals (“REACH” directive EC No. 1907/2006). The parts do not contain any of the Substances of Very High Concern (191 Listed as of 27 June 2018) above the limits specified in Annex XVII, Conditions of Restriction.

Carling Technologies has established controls in its Design and Development (APQP), Supplier Development processes, and in its Management Systems to control and monitor current SVHC per the REACH requirements.
